BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Part 8 of Article 6 of Chapter 2 of Title 20 of the Official Code of Georgia Annotated, relating to the State Board of Education relative to the "Quality Basic Education Act," is amended in Code Section 20-2-240, relating to powers and duties of the State Board of Education, by adding a new subsection to read as follows:

"(c)(1) For purposes of this subsection, the term 'dual enrollment' means a process through which a public high school student takes a course or courses from a public or private postsecondary institution in this state while still enrolled as a high school student and receives credit both at the high school and at the postsecondary institution.

(2) The State Board of Education shall provide that for any dual enrollment program it establishes, a home study student in a program meeting the requirements of subsection (c) of Code Section 20-2-690 shall be eligible to participate in such dual enrollment program if the student earns a score in the eighty-fifth percentile or higher nationally on a standardized college admission test, such as the SAT or ACT. No other academic requirements shall be imposed on a home study student who meets this criteria in order to participate in a dual enrollment program."

SECTION 2.

All laws and parts of laws in conflict with this Act are repealed.
